

FLORIDA ASSOCIATION OF CHILD CARE APPRENTICESHIP PROGRAMS

The purpose of FACCAP is to provide direction and scope in order to facilitate standardization of child care apprenticeship training practices in the state of Florida; to enhance the awareness of the apprenticeship method of training, designed to meet child care industry needs; to promote child care apprenticeship programs at the local, state, and national levels; to contribute to the professional growth of persons working with and for the quality care of young children in participating licensed child care centers; to disseminate information to all regarding the status of participating child care apprenticeship programs; to promote developmentally appropriate practices in the early childhood field.
